

Year 4 Newsletter Autumn 2

ENGLISH

We will be reading and writing a mystery story based on The Great Chocoplot by Chris Callaghan. We will be writing an explanation of how the digestive system works. We will be recapping different word classes.

Geography

Why do some earthquakes cause more damage than others?

PSHE

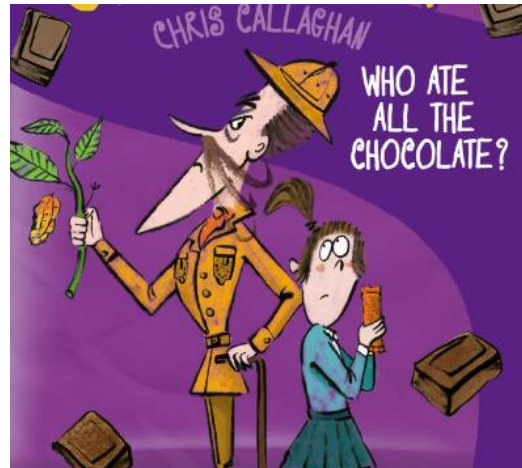

The children will be thinking about 'Celebrating Difference'.

DT

The children will be learning about food preparational and healthy diets. They will aim to design and make their own salad.

MATHS

We will be learning about multiplication, division and perimeter. We will continue to learn and practise our times tables.

PE

The outdoor lesson will be lacrosse and indoor lessons will be dance.

SCIENCE

We will be studying living things and their habitats and learning how to classify animals.

COMPUTING

We will learn about who owns content and what they can access, add, and create online and begin to look at audio production.

RE

The children will be studying Christianity and discussing what is the most significant part of the nativity story for Christians today?

MFL

We will be learning French phrases about going to school.
