

Year 4 Newsletter Spring 1

ENGLISH

We will be reading and writing a myth based on the book Beowulf. We will also be writing a newspaper report. We will be revisiting different word classes and using a range of punctuation. Spelling and handwriting will be a focus this term.

HISTORY

Our enquiry question this term is:
Who were the Anglo Saxons and how do we know what was important to them?

PSHE

The children will be thinking about 'Dreams and Goals' this term.

MUSIC

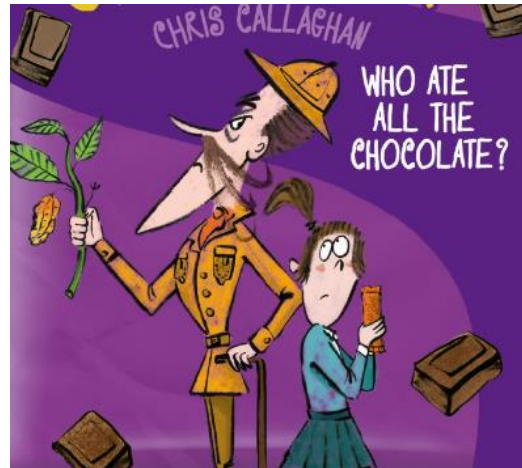

How does music improve our world?

ART

The children will be drawing, designing and creating sculptures using modroc and wire to create plant life from the rainforest.

MATHS

We will continue to work on multiplication and division. Next we will focus on calculating area and then adding and subtracting fractions. We will continue to learn and practise our times tables and complete weekly arithmetic tests.

PE

The outdoor lesson will be football and indoor lesson will be gymnastics.

SCIENCE

We will be studying States of Matter, learning about solids, liquids and gases and the changes in state that occur.

COMPUTING

We will create programs by planning, modifying, and testing commands to create shapes and patterns.

RE

Building upon their knowledge of Buddhism, the children will be discussing if the Buddha's teaching could make the world a better place?

MFL

We will be learning how to say the days of the week in French this term.
