

Democracy - Britain is a democracy, this means that the people in Britain vote for the people who make the laws and decide how the country is run.

Rule of Law - In Britain we have a police force and court system who make sure people do not do the wrong thing and break the law – this means that we are safe.

Tolerance of different cultures and religions - In Britain we accept that other people might have different beliefs than ours and they may believe in different religions.

Mutual Respect - We might not always agree with other people, but we try to show respect for their thoughts and feelings.

Individual Liberty - In Britain, as long as we do not break the law, we can live as we choose to and have our own opinions about things.
