

Year 3 Newsletter Autumn 1

ENGLISH

In English we will be writing instructions about how to wash a woolly mammoth and then write an adventure story about a Stone Age Boy.

HISTORY/GEOGRAPHY

In history we will be learning about the Stone Age, about changes through time and the affects that had on people living in that period.

PSHE

In PSHE we will be learning about our place in the world and how we fit in with others.

ART/DT

This term we are lucky to have Piper teacher our lessons. He will be teaching drawing and painting skills using mixed media based around Prehistoric Paintings.

MATHS

All our maths lessons this term involve place value, addition and subtraction.

PE

Indoor PE will be gymnastics.
Outdoor PE will be Lacrosse.

SCIENCE

We will be looking at rocks and how the earth is constructed.

COMPUTING

Our computing topic is called connecting computers.

Music

We will be learning to develop notation skills and think about how music brings us closer together.

RE

During this first half term we will be learning about Hinduism and Diwali.

MFL

We are continuing to learn French. This term it will be numbers to 20 and how to greet each other.
