

Year 4 Newsletter Autumn 2

ENGLISH

We will be reading and writing a mystery story based on *The Great Chocoplot* by Chris Callaghan. We will be writing an explanation of how the digestive system works. We will be recapping different word classes.

MATHS

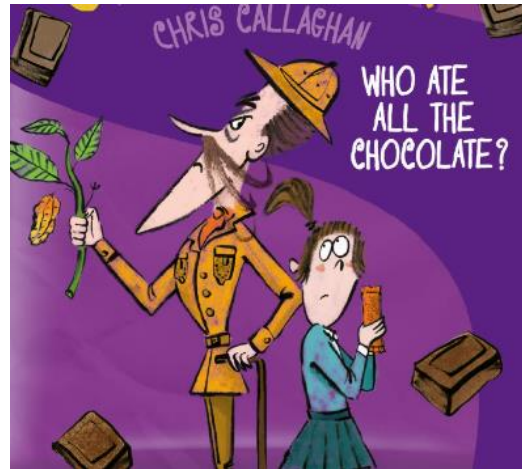

We will be learning about multiplication, division and perimeter. We will be consolidating written methods and how to use them for reasoning questions. We will continue to learn and practise our times tables.

SCIENCE

We will be studying living things and their habitats and learning how to classify animals.

Geography

The children will be answering the question: Why do some earthquakes cause more damage than others?

COMPUTING

We will learn about audio production. We will record and edit sounds and create and evaluate podcasts.

PSHE

The children will be thinking about 'Celebrating Difference'.

RE

The children will be studying Christianity and discussing what is the most significant part of the nativity story for Christians today?

DT

The children will be learning about food preparational and healthy diets. They will aim to design and make their own salad.

PE

The outdoor lesson will be tag rugby and indoor lessons will be dance. 4LDEP will continue swimming this term.

MFL

We will be learning French phrases about going to school.
