

## Year 4 Newsletter Spring 1

### ENGLISH

We will be basing our Reading and Writing around Anglo Saxon Boy. We will be revisiting different word classes and using a range of punctuation. Spelling and handwriting will be a focus this term.

### MATHS

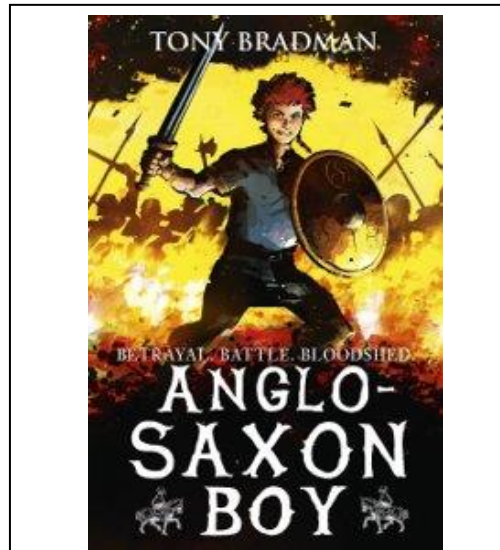

We will continue to work on multiplication and division. Next we will focus on calculating length and perimeter and then adding and subtracting fractions. We will continue to learn and practise our times tables and complete weekly arithmetic tests.

### SCIENCE

We will be studying States of Matter, learning about solids, liquids and gases and the changes in state that occur.

### HISTORY

Our enquiry question this term is:  
Who were the Anglo Saxons and how do we know what was important to them?

### COMPUTING

We will create programs by planning, modifying, and testing commands to create shapes and patterns.

### PSHE

The children will be thinking about 'Dreams and Goals' this term.

### MUSIC

Compose with your friends

### RE

Building upon their knowledge of Buddhism, the children will be discussing if the Buddha's teaching could make the world a better place?

### DT

The children will be learning about pneumatics and how they work. They will be creating their own and testing them.

### PE

4CM – Football and swimming

4LDEP – Football and dance

### MFL

We will be learning how to say the days of the week in French this term.
