KINGSLEY
PRIMARY SCHOOL

YEAR 3 – AUTUMN TERM 2

NEWSLETTER

English

The children will be reading Creeping Beauty and 24 hours in the Stone Age. They will be developing their retrieval and inference skills using these texts. The basis for the children's fiction writing will be The true story of the 3 little pigs and they will write instructions based on How to wash a woolly mammoth.

Maths

Children will be consolidating the column method for addition and subtraction. They will develop efficient methods for multiplication and division. Children will have opportunities to apply these methods in reasoning and word problems. Please ensure they use TTRS and Maths Whizz for home learning.

Science

Animals including humans

Children will be learning about different food groups and ways to stay healthy. The children will learn about different types of skeletons for humans and animals and the role that muscles play.

History/Geography

Geography will focus on answering the question – who lives in Antarctica?

PSHE/RE

We will be learning about Christianity and Christmas in this term.

Valuing difference is the topic for PSHE where children will learn about valuing difference in line with the British Value of Tolerance.

PE

Outdoor PE is tag rugby and indoor PE is dance. The children will learn the rules of tag rugby and develop their throwing and catching skills along with team work. **PE will be on Thursdays and Fridays from now.**

Art/DT

The children will be learning a cross-stitch to join two pieces of fabric together, design and cut the template for a cushion. Then use cross-stitch and appliqué to decorate a cushion face and make a cushion that includes appliqué and cross-stitch.

MFL

This term, French lessons are all based on naming animals in French.

Music

Music lessons will be based around the children learning to play the glockenspiel. The children will learn to play, improvise and compose. They will listen and appraise and participate in musical activities to learn about the pulse, rhythm and beat of the song.

Computing

All Computing topics will start with an online safety lesson. Children will use a range of techniques to create a stop-frame animation using tablets. Next, they will apply those skills to create a story-based animation. Then children will add other types of media to their animation, such as music and text.
