# YEAR 6 – AUTUMN TERM 2

# NEWSLETTER

## English

This half term, our focus text will be Windrush Child by Benjamin Zephaniah. We'll use this inspiring story to develop our reading and writing skills. In addition, our History topic on World War I will provide further inspiration for our writing.

## Maths

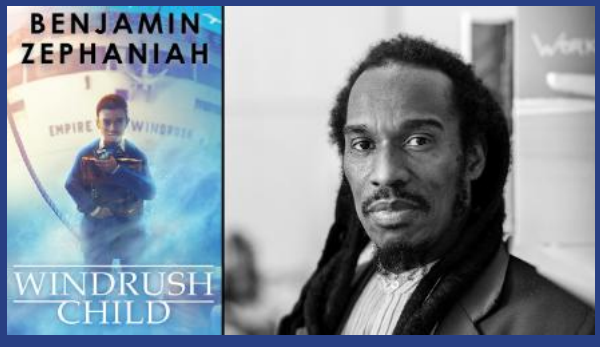

This half term, we'll be exploring fractions, imperial and metric measures, ratio and proportion, and decimals. The children will build on their existing knowledge and apply these skills to real-life contexts.

## Science

This half term, Year 6 will be learning about living things and their habitats. The children will explore how different species are classified, how they adapt to their environments, and how habitats provide for their needs. They will also investigate food chains and consider the impact humans can have on the natural world.

## History/Geography

This half term, Year 6 will be discovering what we can learn about different times using the census. We will look at jobs, children's lives and why people refused to sign the census 1911.

## PSHE/RE

This half term, Year 6 will be exploring our Valuing Differences unit. This half term, Year 6 will explore how to respect differences, challenge stereotypes, and celebrate individuality. They will also learn how to build positive friendships and develop empathy for others.

Respect, Aspiration, Integrity, Synergy, Endeavour

## PE

This half term, we'll be focusing on Hockey and Dance. Children will develop teamwork and ball-handling skills in hockey, and improve balance, strength, and flexibility through dances based on The Titanic!

## Art/DT

This half term, we'll explore mechanisms by creating moving designs using cams. Children will design, build, and evaluate interactive models that share a message—combining creativity with engineering skills!

## MFL

This half term, we'll be learning how to talk about likes and dislikes and asking friends to play different sports. Children will practice phrases like "Qu'est-ce que tu aimes/détestes?" and "Tu veux jouer au rugby/netball/ping-pong?" They'll also learn how to respond with "Oui, je veux jouer" or "Non, je ne veux pas jouer."

## Music

This half term, we'll be exploring Classroom Jazz! Children will learn about different styles of music, including Jazz, Latin, and Blues, and enjoy playing and improvising using these genres.

## Computing

This half term, we'll be learning how to create web pages! Children will explore how websites are structured and design their own pages using text, images, and links.
