Inspire Multi Academy Trust (InMAT), alongside the Local Academy Committee of Standens Barn Primary School, wish to appoint an energetic, creative and inspiring head teacher to lead this successful school.

Standens Barn Primary School is a two form entry Primary School situated in the heart of Northampton in the eastern part of town, near the Weston Favell area. The school has a diverse demographic and the wonderful children and the dedicated, supportive team of staff, parents and governors who work together create their school family based on the strong ethos of BEST, which underpins life at the school. The school has been graded “Good” by OFSTED since 2014.

Standens Barn Primary School became an academy in 2019 as part of InMAT. This has enabled the school to work closely with the other primary schools in our Trust.
